

St. Jerome Pastoral Council Survey

The Pastoral Council is the coordinating and unifying structure within the parish community of St. Jerome's. Its purpose is to achieve full participation of the whole parish in its mission by giving everyone a voice in encouraging, guiding, and participating in the various aspects of parish life. The Council gathers together the thoughts and ideas of the community, works with them until it reaches a consensus and translates them into parish priorities. These priorities are the stimuli for programs that the parish community will carry out.

The Council, together with our Pastor Father John, works at setting the priorities, goals and objectives of the Parish by providing for constant communication, open meetings and shared evaluations with the total parish community. All parishioners are eligible for service on the Council by serving as an elected or appointed representative.

All Council meetings are open meetings and parishioners are encouraged to bring their concerns to these meetings which are always announced in advance in the church bulletin. Generally, the Council meets on the 1st Wednesday of each month, with a summer break. The proximity to the holiday celebrations may change the meeting day, so please refer to the bulletin for times and dates of upcoming meetings. The Council holds its meeting in the classroom adjacent to O'Brien Hall starting at 7:00 PM, following Adoration.

Our Parish Council is interested in your comments. Please fill out this survey so we can get a feel for current and future needs to represent our community to its fullest potential.

Ranking for Survey: 1 – lowest up to 5 -- highest (N/A if it does not apply to you or you have no opinion)						
	N/A	1	2	3	4	5
How do you rate the facilities at St. Jerome's						
Church						
Day Chapel						
O'Brien Hall
